

# Families, Pray for Our Nation

## Seven Centers of Influence

Do you want to make a difference in your family while you are sheltered in place during this pandemic? Here is a simple family experience that will have great impact ... and YES, YOU CAN DO IT!! It is that simple and easy, and it will bring your family closer together and closer to God. This is an eight-day family prayer guide leading up to and including the National Day of Prayer which is Thursday, May 7. Our prayers will focus on seven centers of influence that shape our culture and society for good or for evil. Plan to start on Thursday April 30 with Day 1.

Family leader, all you have to do is gather your family together, read the passage of Scripture, ask the questions, let people discuss, and then pray. This will be a fun time of generating discussions, sharing thoughts, and then praying. Your prayers do not have to be elaborate. They really need to be simple prayers, even sentence prayers. You may be hesitant because you have never done this before. Trust God to help you. You can do it, and your family will draw closer to one another and to God.

Here are some simple guidelines:

- Set a regular time of day that works best for your family.
- Ask God for help and to bless this time. You may also pray for thousands of others like yourself who are leading their families in this time of crisis and prayer.
- Gather your family.
- Smile and have a good time. Your family will follow your lead.
- Ask someone to begin with prayer. The first time, you may want to pray a short simple prayer to model to your family
- Ask someone to read the Bible passage for the day. You can change who reads each time so that everyone feels included.
- Follow the guide. Remember, these questions are designed to include everyone, and everyone will have different answers. Thank and affirm people when they share.
- The first one or two may be a little awkward if you have never done something like this, but it will become easier and easier. It starts with Family as a center of influence in our culture. This will facilitate real discussion.
- If you miss a day, do not stress. You can catch up after the National Day of Prayer.

- You may want to let your older children lead some prayer times. This builds leadership and participation.
- Some in your family may not want to pray out loud. Give permission to pray silently. God still hears!
- When you finish, thank everyone. If you feel led, pray a simple prayer of thanksgiving for each of your family members. Ask God to bless them and your family.
- On Thursday, May 7, we invite your family to join Christians across the nation in the National Day of Prayer service at 8:00 pm ET.

## Family Adventures in Discovery Bible Study

Now that you have experienced God in prayer, we want to invite your family to go on some family adventures in Discovery Bible Study (DBS). God is eager for you and your family to have regular encounters with Him. He wants to reveal to you Himself, His purposes, and His ways. When you read God's Word and the Holy Spirit helps you understand and apply the truths of His Word, you have experienced God.

To help you lead your family on these adventures in God's Word, we have prepared a video example. Join Erik and his family as they encounter God in His Word. Click or go to the following link to watch the video: <https://youtu.be/KyAaQuGRwd4>

### Discovery Bible Study Questions and Process

Here are the questions and process Erik used to lead his family in a DBS.

1. What is something you are thankful for? (You may want to pause and thank God for these things now.)
2. What is something you are facing that is a challenge, a stress, a problem, or a need?
  - Read the Scripture passage.
  - Re-read the Scripture passage.
  - Re-tell the passage in your own words.
  - Fill in more details and correct, if necessary.
3. What do we learn?
  - ...about God (including Jesus)?
  - ...about people?
4. What do we need to do?  
What is your step of obedience? (Make an "I will..." statement.)
5. Who needs to hear this?
6. What can we do to help with a challenge, stress, problem, or need shared earlier?

Conclude by praying together. When God convicts you of sin, agree with Him and turn away from your sin. Then receive His forgiveness. Take time to worship Him, praise Him, and thank Him. Pray for one another and for others. Continue to pray for people in the Seven Centers of Influence you have prayed for this past week.

### Scriptures to Read

You can use this process with any Scripture, but we recommend you start with the Gospel of Mark—a fast-paced introduction to the life of Jesus. Use the story divisions in your Bible to experience God in His Word.
